

Local Project to improve our Neighbourhood

From Idea to Concept

Our idea

Who works on this idea? (Names)

How is the situation now?

What would be the ideal situation?

What do we need to improve the situation?

Concept (topic, goal, target group, benefit)

From concept to structure

How can digital tools support us in our project? What do we want to learn? Which device/software/application should be organised?

Knowledge pool (Who knows what? Which information / documents do we need?)

Who takes on which tasks? (Manner, roles, intermediate results, time resources, media/tools)

Next steps (who will do what by when?)
